

Videojet 43s Small Character Ink Jet Printer

We Build Confidence... In Small Character Ink Jet Printing

The Videojet® 43s printer is an industrial ink jet printer for users seeking an affordable printer that requires minimal attention by operators and maintenance staff. The stainless steel cabinet, self-cleaning printhead and simple interface let you focus on your products—confident that your Videojet 43s is providing high quality printing.

- Rugged stainless steel cabinet rated to IP53
- Automatic printhead cleaning at start up and shut down
- Internal pump eliminates need for factory air
- Easy to use interface allows simple message creation and editing
- Prints up to 3 lines of text, bar codes and logos at speeds up to 800 fpm (4 m/sec)
